

Monthly Board of Director's Meeting of the Kempner WSC
11986 E. Hwy. 190 Kempner, TX 76539
Wednesday, May 26, 2021 at 6:00 P.M.

The public is hereby notified that notices of all regular and special meetings of the Kempner Water Supply Corporation do not distinguish between matters to be discussed in open or closed session of the meeting.

Reasonable accommodation for the disabled attending this meeting will be available; persons with disabilities in need of special assistance at the meeting should contact the General Manager at 512-932-3701.

- 1) Call to Order and Establish Quorum**
- 2) Pledge of Allegiance and Honor the Texas Flag**
- 3) Open Session (Thirty (30) minutes maximum)**

It is the policy of the KWSC Board to hold open board meetings using the following guidelines:

- a) Agendas will be provided to guests at the beginning of the meetings.
- b) Limited to 3 minutes per speaker or 10 minutes for groups with designated spokesperson.
- c) Guests may comment to the board only at the designated "Open Session" section on the agenda. Guest(s) may comment on any agenda item or any other matter of general concern. "Per Open Meetings Act" deliberation regarding general concern; shall be limited to a proposal, to place the subject on the agenda for a subsequent meeting.

NEW BUSINESS

- 4) Discussion and possible action to approve the April 28, 2021 Monthly Board of Director's Meeting Minutes.**
-  **5) Discussion and possible action to approve the April 2021 Financial Statements.**
-  **6) Discussion and possible action to approve the BOD Calendar of Events change regarding Tariff/Rates.**
- 7) Discussion and possible action to approve Committee Meeting Minutes:**
 - a) **Policy Committee Meeting - May 10, 2021**
 - b) **Personnel Committee Meeting - May 10, 2021**

OLD BUSINESS

"Discussion and possible action"

- a) **CTWSC** – The El Paso Court of Appeals heard oral argument on Thursday, May 20, 2021. The argument centered on the CTWSC viewpoint that a "fair" reading of the whole contract requires that the billing formulas for electricity, water, and O&M should be restricted to the volume usage of the old water treatment plant, since that was the only one in existence at the time. Our argument drew the court back to the actual language of the agreement – that does not consider anything other than the total volume of all customers, and the previous cases that require the court to only look at the words actually used by the parties in the agreement.

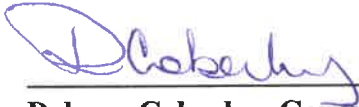

- b) **CR 3600 Line Loop Project** – We anticipate Bidding for the proposed improvements in June 2021.
 - c) **FM 1113 Waterline Loop** – “See CR 3600 Line Loop Project”
 - d) **CR 3420 Pump Station Project** – Paid 3 checks to Legion Development in the amounts of \$10,350.00, \$65,299.77, and \$27,955.80 totaling \$103,605.57 of the \$574,650 approved amount. Currently, the contractor has completed the storage tank and building foundations at the pump station site and is in the process of installing the underground piping, electrical conduit, and valve vault.
 - e) **Stone Oaks Elevated Storage Tank** – Paid 8 checks to Caldwell Tanks in the amounts of \$22,571.34, \$125,630.09, \$243,063.87, \$87,714.54, \$453,516.70, \$37,161.72, \$86,710.68, and \$175,788.31 totaling \$1,232,157.25 of the \$1,752,600 approved amount. Note: Bid from Caldwell Tanks came in at \$1,632,600. Currently, painting is complete. Finish work and demolition is being completed. Project completion scheduled for June – July 2021.
 - f) **USDA Loan through CoBank** – We anticipate submittal of the Environmental Report and Preliminary Engineering Report (PER) for Phase 2 to USDA in June 2021, which will facilitate bidding the FM 1113 and CR 3600 waterline projects.
 - g) **GIS Mapping for Distribution System:** Phase 1 complete. Completed process of scanning, georeferencing and digitizing Distribution Maps for KWSC’s (5) distribution zones (North, Northwest, West, Southwest and East) and currently coordinating additional information needs with KWSC staff.
 - h) **Chlorine Injection Site** – On October 28, 2020, KWSC Board authorized the engineering design and cost analysis for the proposed Chlorine Injection Equipment at the abandoned Pump Station Site located at the KWSC field operations office. The project is intended to boost the disinfectant residuals in KWSC’s two 24-inch transmission mains along Highway 190 and FM 2313. Currently, we have determined that the proposed chlorine injection site will require inline static mixer(s) due to the proximity of the site to existing customers, which will likely be cost prohibitive at this time due to large waterline diameter and additional valve requirements. We recommend implementing a tank mixing system first and revisiting the proposed chlorine injection site in the future if disinfection residuals continue to be a concern.
 - i) **CCN Amendment – Topsey WSC Overlap** – In February 2021, KWSC staff received approval from Topsey WSC for an overlapping CCN which will be required for water service to the proposed Northern Hills Phase 2-5 and Ryatt Ranch subdivisions. Currently, coordinating final submittal requirements with the PUC and KWSC staff.
 - j) **CCN Amendment – City of Copperas Cove Overlap** – Continuing negotiations regarding the trade of CCN in overlapping areas.
- 8) **Manager’s Report:**
- a) Administrative Report
 - b) Distribution Report (Development, Field and IT/Quality)
 - c) Plant Report
- 9) **President’s Comments:**
- 10) **Board of Director’s Announcements:**
- a) Regarding items on the agenda
 - b) Any other information which a Director deems necessary to inform the Board

11) Adjourn

The Board or its Presiding Officer may, at any time during the Meeting, close the Meeting and hold an Executive Session pursuant to Sections 551.071 to 551.074 and 551.076 of the Texas Open Meetings Act to discuss and/or deliberate any of the matters to be considered during the Meeting.

The Texas Open Meetings Act, codified as Texas Government Code, chapter 551 permits closed meetings pursuant to Section 551.071 for purposes of consulting with its attorneys, Section 551.072 - deliberating about real property, Section 551.073 - deliberating about gifts and donations, Section 551.074 -deliberating about personnel matters and Section 551.076 – deliberating about security devices.

I, Delores Coberley, General Manager of Kempner Water Supply Corporation, Kempner, TX, do hereby certify that this Notice of Meeting was posted with the Secretary of State, Lampasas County Courthouse and on the front door of the Corporation's Office at 11986 E Hwy 190, Kempner, TX, at a place readily accessible to the general public at all times on the 21st day of May 2021.

Delores Coberley, General Manager
