The Board of Directors shall serve no more than three (3) Consecutive terms of three (3) years each. The term limit will commence at the beginning of a director's new election. A Board member must wait one (1) year before running for election again. Directors, as such, shall not receive any stated salary for their services, except as provided for by state law. Upon the death or resignation of a Director, a successor shall be appointed by a majority of the existing Directors to serve until the next regular or special Membership meeting, at which time the general Membership shall elect a successor for the remaining balance of the previously vacated term.

Any meeting convened to consider the removal of an Officer or Director shall be conducted in accordance with the procedures prescribed by the Board. The fact that the President, Vice- President, or any other Officer or Director has been made the subject of charges does not otherwise prevent such individual from continuing to act in the capacity as an Officer or Director of the Corporation. Any Director that has been removed under the provisions of this Article shall not be precluded from subsequent election to a position on the Board of Directors.

Section 2. Any Director that fails to attend two (2) consecutive meetings may be given written notice by the balance of the Board of Directors that failure by said Director to attend a third consecutive meeting, without justifiable cause acceptable to the balance of the Board of Directors, shall give rise to removal of said Director from the Board. A successor shall be appointed by a majority vote of the Directors remaining to serve until the next regular or special Membership meeting, at which time the General Membership shall elect a successor for the balance of the term.

It shall be the responsibility of the President, or a designee of that office, to

ensure that the proper notice is posted, and Directors are properly notified. All profits arising from the operation of such business shall be annually paid out to the persons who have, during the past year, transacted business with the Corporation, in direct proportion to the amount of business transacted, provided that no such dividends shall ever be paid while any indebtedness of the Corporation remains unpaid. The Directors of the Corporation may allocate to sinking fund(s) and reserve accounts such amount of profits as they deem necessary for maintenance, operation, capital improvements, expansions, and replacements of all facility components, as provided by Section 67.008 (d) of the Texas Water code. Funds allocated by the Board to a sinking fund for replacement, amortization of debts, and the payment of interest that are not required to be spent in the year in which deposited shall be invested in accordance with the provisions of Section 67.014 (b) of the Texas Water Code.

ARTICLE IX

The Directors of the Corporation shall establish and maintain, so long as the Corporation is indebted to the USDA Rural Development Rural utilities Service (RUS) or the Texas Water Development Board, in an institution insured by the State or Federal Government, or invested in readily marketable securities backed by the full faith and credit of the United States of America, a reserve account separate and apart from other fund accounts of the Corporation. Securities so purchased shall always be deemed to be part of the reserve fund account. There shall be deposited in such fund the sum as required by a total of all loan resolutions executed by the Corporation. Such deposits shall be made monthly and shall continue until the total amount deposited equals the sum as required by the executed loan resolutions provided, however, that after any withdrawals, such deposits shall be resumed until the amount accumulated in the fund is restored to the same as required by the executed loan resolutions.

Withdrawals may be made from this fund only upon prior written approval from the USDA Rural Development Rural Utilities Service (RUS) or the Texas Water Development Board. Approval shall be made only for emergency repairs, obsolescence of equipment, improvements to facilities, and for making up any deficiencies in revenue for loan payments.

ARTICLE X

Section 1. The Corporation shall have Members as defined by the Texas Water Code. All customers of the Corporation must hold a Membership or obtain their services through a Membership. A person or entity that holds an interest in property solely as security for the performance of an obligation or that only builds on or develops the property for sale to others is not required to hold a Membership as a condition to receive service on a limited basis. Every person (which includes any legal entity) owning or having a legal right to the control, possession or occupancy of property served, or which may reasonably be served by the Corporation, shall have the right to become a Member of the Corporation upon payment of the Membership fee hereinafter provided and upon compliance with the Corporation's conditions of water and/or sewer service as provided for in its published charges, rates, and conditions of service. Membership shall not be denied because of the applicant's race, color, religion, sex, age, marital status, familial status, handicap, and income from Public Assistance, disability, or national origin. It is the intent of the Corporation to provide service on a nondiscriminatory basis.

Section 2. The Membership fee shall be as determined by the Board of Directors. Payment of Membership fee or transfer of Membership shall entitle an applicant to further qualify for one (1) connection to the system or shall entitle a transferee of Membership to continue to qualify for service to an existing connection to the system by meeting the conditions for water and/or sewer as provided in the Corporation's published rates, charges, and conditions of service. A person may own more than one Membership, but each Member shall be entitled to only one vote regardless of the number of Memberships owned. Membership certificates shall be in such form as shall be determined by the Board of Directors.

Section 3. The Membership fee may be revised by the Board of Directors as the Board may determine to be appropriate. In determining the amount of the Membership fee, however, the Board shall ensure that the fee is sufficient to establish the potential Member as being legitimately interested in securing water and/or sewer service from the Corporation for such potential Members' own needs. Furthermore, the Board shall determine and administer such fee in a manner or in an amount which does not unreasonably deny service to financially deprive potential Members. In no event, however, shall the Membership fee exceed an amount equal to the sum of twelve (12) charges to the Corporation's minimum monthly water and/or sewer rate unless previously approved by the USDA Rural Development Rural Utilities Service (RUS) or the Texas Water Development

Board. Membership fees will be refundable.

ARTICLE XI

Where necessary for determining those Members entitled to notice of, or those Members entitled to vote at any meeting or any adjournment thereof, or where necessary to make a determination of Members for any other proper purpose, ownership of Memberships shall be deemed to be vested in those persons who are the record owners of Memberships as evidenced by the Membership transfer book on the 15th day of the month preceding the month of the date upon which the action requiring such determination is to be taken. Nothing herein shall preclude the holder of a Membership from mortgaging, such Membership or, upon notification of the Corporation preclude the holder of such mortgages from exercising legal rights pursuant to such mortgages upon proper notice to the Corporation.

ARTICLE XII

Section 1. In order to ensure that business done by the Corporation shall continue within the capacity of its facilities and to prevent undue financial burden on the Members of the Corporation, Membership in the Corporation shall be transferred in accordance with the following:

(a) Except as herein provided, Membership in the Corporation shall be deemed personal estate and a person or entity that owns any stock of, is a Member of, or has some other right of participation in the Corporation may not sell or transfer that stock, Membership, or other right of participation to another person or entity except. (1) By will to a transferee who is a person related to the testator within the second degree by consanguinity. (2) By transfer without compensation to a transferee who is a person related to the owner of the stock or other interest within the second degree by consanguinity. (3) By transfer without compensation or by sale to the Corporation.

(b) Subsection (a) of this section does not apply to a person or entity that transfers the Membership or other right of participation to another person or entity as part of the conveyance of real estate from which the Membership or other right of participation arose.

(c) The transfer of stock, Membership, or other right of participation under this section does not entitle the transferee to water and/or sewer service unless each condition for water and/or sewer service is met as provided in the Corporation's published rates, charges, and conditions of service. Water and/or sewer service provided by the Corporation as a result of stock, Membership, or other right of participation may be conditioned on ownership of the real estate designated to receive service and from which the Membership or other right of

participation arose.

(d) The Corporation may cancel a person or another entity's stock, Membership, or other right of participation if the person or other entity fails to meet the conditions for water and/or sewer service prescribed by the Corporation's published rates, charges, and conditions of service, or fails to comply with any other condition placed on the receipt of water and/or sewer service under the stock, Membership, or other right of participation authorized under Subsection (c) of this section. The Corporation may, consistent with the limitations prescribed by Subsection (a) of this section and as provided in the Corporation's tariff, reassign canceled stock, or a cancelled Membership, or other right of participation to any person or entity that has legal title to the real estate from which the canceled Membership or other right of participation arose and for which water and/or sewer service is requested, subject to compliance with the conditions for water and/or sewer service prescribed by the Corporation's published rates, charges, and conditions of service.

Section 2. Notwithstanding anything to the contrary here-in-above provided, the consideration for the transfer of any Membership in the Corporation from the original Members, their transferees, pledges, administrators or executors, or other persons, shall never exceed the amount of the original costs of such Membership. No gain or profit shall ever be realized from the sale or transfer of a Membership.

ARTICLE XIII

The Board may employ a manager to handle the business of the Corporation under the direction of the Board. The Board shall set the salary of the manager.

ARTICLE XIV

Notwithstanding the ownership of a Membership certificate, all Members shall be billed, disconnected, or reconnected, and otherwise shall receive service in accordance with the written policies of the Corporation, including the tariff of the Corporation. In the event a member should surrender the Membership certificate properly endorsed to the Secretary-Treasurer of the Corporation, the water and/or sewer service shall be discontinued and the obligation to pay for water and/or sewer service shall terminate except as for the minimum charge for the current month and the charge for water and/or sewer used during the current month, and except as for any prior unpaid amounts due the Corporation. Any remaining balance of the membership fee will be refunded to the former member. In the event Membership is terminated, cancelled, withdrawn, or surrendered, whether voluntarily or involuntarily, the former Member's rights and interest in the

assets of the Corporation will not be forfeited.

ARTICLE XV

Upon the discontinuance of the Corporation by dissolution or otherwise, all assets of the Corporation shall be distributed among the Members and former Members in direct proportion to the amount of their patronage with the Corporation insofar as practicable. Any indebtedness due the Corporation by a Member for water and/or sewer service or otherwise, shall be deducted from such Member's share prior to final distribution.

ARTICLE XVI

The fiscal year of the Corporation shall be October 1st to September 30th.

ARTICLE XVII

ARTICLE XVIII

Section 1. If at the end of the fiscal year, or in the event of emergency repairs, the Board of Directors determines the total amount derived from the collection of water and/or sewer charges to be insufficient for the payment of all costs incident to the operation of the Corporation's system during the year in which such charges are collected, the Board shall make and levy an assessment against each Member of the Corporation as the Board may determine or as may be required by the USDA Rural Development Rural utilities Service (RUS) or the Texas Water Development Board. The sum of such assessments and the amount collected from water and/or sewer and other charges shall be sufficient to fully pay all costs of operation, maintenance, replacement, and repayment of indebtedness for the year's operations, but this provision shall not operate for the benefit of any third-party creditor other than the USDA Rural Development Rural Utilities Service (RUS) or the Texas Water Development Board, without a favorable vote of the majority of the Members. Any assessments levied to make up operations deficits in any year shall be levied against Members in proportion to their patronage with the Corporation.

Section 2. In the event a Member should surrender their Membership certificate properly

endorsed by the Secretary-Treasurer of the Corporation, the obligation to pay such assessments shall be limited to, assessments made and levied prior to the date of surrender of the Membership certificate provided. This paragraph and the second sentence of Article XIV shall not apply to relieve a Member of their obligation under special arrangements covering Multiple Membership certificates held by one Member which may have been required or approved by the USDA Rural Development Rural Utilities Service (RUS) or the Texas Water Development Board.

In the event of any conflict between the provisions of the Public Information Act and the provisions of the Bylaws, the provisions of the Public Information Act shall prevail.

ARTICLE XX

This applies only to the voting procedures of the corporations and any Bylaws

currently in place that are contradictive to this legislation but does not affect any other Articles of the Water Supply and Sewer Service Corporation Bylaws.

These Bylaws may be altered, amended, or repealed by a vote of a majority of the Members present, at any regular meeting of the Members, or at any special meeting of the Members called for that purpose. The Members shall not have the power to change the purpose of the Corporation so as to decrease its rights and powers under the laws of the State or to waive any requirements of bond or other provisions for the safety and security of the property and funds of the Corporation or its Members, or to deprive any Member of rights and privileges then existing, or so to amend the Bylaws as to effect a fundamental change in the intents and purposes of the Corporation.
